

Launch of the annual Spiritual Guide to Good Shepherd Affiliation

Saturday, August 26th, was held the launch of the year 2017-2018 of the Good Shepherd Affiliation, at the General House of the Sisters of the Good Shepherd.

We are a group of lay people who share the charism of love, kindness and mercy of the Congregation. Each year we produce an annual guide that serves as a path for our monthly meetings. This year will take place under the theme of the beatitudes, we will follow Jesus on the path that leads to happiness by studying more deeply the beatitudes. We are witnesses to Jesus and will try to share our joy in all spheres of our lives.

We are always ready to welcome new people who feel moved by kindness, love and mercy. We invite them to come and share, with the beautiful Good Shepherd family, the charism of the founder Marie-Josephte Fitzbach and continue her mission at our scale, in today's world.
